The first-year cost will be \$22,000 which includes a one-time installation fee, and the second-year cost will be \$20,000. If the system performs satisfactorily, the agreement can be renewed for subsequent two-year terms.

2.4 Usage Restrictions.

a. Flock IP. The purpose for usage of the Unit, Documentation, Services, support, and Flock IP are solely to facilitate gathering evidence that could be used in a lawful criminal investigation by the appropriate government agency and not for tracking activities that the system is not designed to capture (“*Permitted Purpose*”). Agency will not, and will not permit any Authorized End Users to, (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP, or attempt to do any of the foregoing, and Agency acknowledges that nothing in this Agreement will be construed to grant Agency any right to obtain or use such source code; (iii) modify, alter, tamper with or repair any of the Flock IP, or create any derivative product from any of the foregoing, or attempt to do any of the foregoing, except with the prior written consent of Flock; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within any of the Services or Flock IP; (vi) use the Services, support, Unit, Documentation or the Flock IP for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent or otherwise transfer or convey, or pledge as security or otherwise encumber, Agency’s rights under Sections 2.1, 2.2, or 2.3.

b. Flock Hardware. Agency understands that all Flock Hardware is owned exclusively by Flock, and that title to any Flock Hardware does not pass to Agency upon execution of this Agreement. Agency is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Notwithstanding the notice and cure period set for in Section 6.3, Agency agrees and understands that in the event Agency is found to engage in any of the restricted actions of this Section 2.4(b), all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination (without opportunity to cure) for material breach by Agency.

2.5 Retained Rights; Ownership. As between the Parties, subject to the rights granted in this Agreement, Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Agency acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Agency further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock’s sole discretion. There are no implied rights.

2.6 Suspension. Notwithstanding anything to the contrary in this Agreement, Flock may temporarily suspend Agency’s and any Authorized End User’s access to any portion or all of the Flock IP or Flock Hardware if (i) Flock reasonably determines that (a) there is a threat or attack on any of the Flock IP; (b) Agency’s or any Authorized End User’s use of the Flock IP disrupts or poses a security risk to the Flock IP or any other Agency or vendor of Flock; (c) Agency or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Flock’s provision of the Services to Agency or any Authorized End User is prohibited by applicable law; (e) any vendor of Flock has suspended or terminated Flock’s access to or use of any third party services or products required to enable Agency to access the Flock IP; or (f) Agency has violated any term of this provision, including, but not limited to,

utilizing the Services for anything other than the Permitted Purpose (each such suspension, in accordance with this Section 2.6, a “***Service Suspension***”). Flock will make commercially reasonable efforts, circumstances permitting, to provide written notice of any Service Suspension to Agency (including notices sent to Flock’s registered email address) and to provide updates regarding resumption of access to the Flock IP following any Service Suspension. Flock will use commercially reasonable efforts to resume providing access to the Service as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that Agency or any Authorized End User may incur as a result of a Service Suspension. To the extent that the Service Suspension is not caused by Agency’s direct actions or by the actions of parties associated with the Agency, the expiration of the Term will be tolled by the duration of any suspension (for any continuous suspension lasting at least one full day) prorated for the proportion of cameras on the Agency’s account that have been impacted.

2.7 Installation Services.

2.7.1 Designated Locations. For installation of Flock Hardware, prior to performing the physical installation of the Units, Flock shall advise Agency on the location and positioning of the Units for optimal license plate image capture, as conditions and location allow. Flock may consider input from Agency regarding location, position and angle of the Units (each Unit location so designated by Agency, a “***Designated Location***”). Flock shall have final discretion on location of Units. Flock shall have no liability to Agency resulting from any poor performance, functionality or Footage resulting from or otherwise relating to the Designated Locations or delay in installation due to Agency’s delay in confirming Designated Locations, in ordering and/or having the Designated Location ready for installation including having all electrical work preinstalled and permits ready, if necessary. The deployment plan will confirm the Designated Location. After installation, any subsequent changes to the deployment plan (“***Reinstalls***”) will incur a charge for Flock’s then-current list price for Reinstalls, as listed in the then-current Reinstall Policy (available at <https://www.flocksafety.com/reinstall-fee-schedule>) and any equipment charges. These changes include but are not limited to camera re-positioning, adjusting of camera mounting, re-angling, removing foliage, camera replacement, changes to heights of poles, regardless of whether the need for Reinstalls related to vandalism, weather, theft, lack of criminal activity in view, and the like. Flock Safety shall have full discretion on decision to reinstall Flock Hardware.

2.7.2 Agency Installation Obligations. Agency agrees to allow Flock and its agents reasonable access in and near the Designated Locations at all reasonable times upon reasonable notice for the purpose of performing the installation work. Although the Units are designed to utilize solar power, certain Designated Locations may require a reliable source of 120V AC power, as described in the deployment plan. In the event adequate solar exposure is not available Agency is solely responsible for providing a reliable source of 120V AC power to the Units, if necessary. Flock will provide support to Agency and, at Flock’s expense obtain all required IDOT and other required permits for Agency. In the event that a Designated Location for a Unit requires permits, Flock will provide the Agency with a temporary alternate location for installation pending the permitting process. Once the required

permits are obtained, Flock will relocate the Units from the temporary alternate location to the permitted location at no additional cost. Flock will provide options to supply power at each Designated Location. If Agency refuses alternative power supply options, Agency agrees and understands that Agency will not be subject to any reimbursement, tolling, or credit for any suspension period of Flock Services due to low solar. Flock will make all reasonable efforts within their control to minimize suspension of Flock Services. Any fees payable to Flock exclude the foregoing. Without being obligated or taking any responsibility for the foregoing, Flock may pay and invoice related costs to Agency if Agency did not address them prior to the execution of this Agreement or a third party requires Flock to pay. Agency represents and warrants that except for IDOT permits, it has all necessary right title and authority and hereby authorizes Flock to install the Hardware at the Designated Locations and to make any necessary inspections or tests in connection with such installation. Flock is not responsible for installation of Agency Hardware.

2.7.3 Flock's Obligations. Installation of any Flock Hardware shall be installed in a workmanlike manner in accordance with Flock's standard installation procedures, and the installation will be completed within a reasonable time from the time that the Designated Locations are confirmed. Following the initial installation of the Hardware and any subsequent Reinstalls or maintenance operations, Flock's obligation to perform installation work shall cease; however, for the sole purpose of validating installation, Flock will continue to monitor the performance of the Units for the length of the Term and will receive access to the Footage for a period of three (3) business days after the initial installation in order to monitor performance and provide any necessary maintenance solely as a measure of quality control. Agency understands and agrees that the Flock Services will not function without the Hardware. Labor may be provided by Flock or a third party. Flock is not obligated to install, reinstall, or provide physical maintenance to Agency Hardware.

2.7.4 Security Interest. Flock Hardware shall remain the personal property of Flock and will be removed upon the natural expiration of this Agreement at no additional cost to Agency. Agency shall not perform any acts which would interfere with the retention of title of the Hardware by Flock. Should Agency default on any payment of the Flock Services, Flock may remove Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's rights to any damages Flock may sustain as a result of Agency's default and Flock shall have the right to enforce any other legal remedy or right.

2.8 Hazardous Conditions. Unless otherwise stated in the Agreement, Flock's price for its services under this Agreement does not contemplate work in any areas that contain hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately in the area affected until such materials are removed or rendered harmless.

2.9 Support Services. Subject to the payment of fees, Flock shall monitor the performance and functionality of Flock Services and may, from time to time, advise Agency on changes to the Flock Services, Installation Services,

or the Designated Locations which may improve the performance or functionality of the Services or may improve the quality of the Footage. The work, its timing, and the fees payable relating to such work shall be agreed by the Parties prior to any alterations to or changes of the Services or the Designated Locations (“**Monitoring Services**”). Subject to the terms hereof, Flock will provide Agency with reasonable technical and on-site support and maintenance services (“**On-Site Services**”) in-person or by email at support@flocksafety.com. Flock will use commercially reasonable efforts to respond to requests for support.

2.10 Special Terms. From time to time, Flock may offer certain “Special Terms” related to guarantees, service and support which are indicated in the proposal and on the order form and will become part of this Agreement, upon Agency’s consent. To the extent that any terms of this agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

2.10 Changes to Platform. Flock may, in its sole discretion, make any changes to any system or platform that it deems necessary or useful to (i) maintain or enhance (a) the quality or delivery of Flock’s products or services to its Agency s, (b) the competitive strength of, or market for, Flock’s products or services, (c) such platform or system’s cost efficiency or performance, or (ii) to comply with applicable law.

3. RESTRICTIONS AND RESPONSIBILITIES

3.1 Agency Obligations. Flock will assist Agency end-users in the creation of a User ID. Agency agrees to provide Flock with accurate, complete, and updated registration information. Agency may not select as its User ID a name that Agency does not have the right to use, or another person’s name with the intent to impersonate that person. Agency may not transfer its account to anyone else without prior written permission of Flock. Agency will not share its account or password with anyone, and must protect the security of its account and password. Agency is responsible for any activity associated with its account. Agency shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Services. Agency will, at its own expense, provide assistance to Flock, including, but not limited to, by means of access to, and use of, Agency facilities, as well as by means of assistance from Agency personnel, to the limited extent any of the foregoing may be reasonably necessary to enable Flock to perform its obligations hereunder, including, without limitation, any obligations with respect to Support Services or any Installation Services.

3.2 Agency Representations and Warranties. Agency represents, covenants, and warrants that Agency will use the Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of video, photo, or audio content. Although Flock has no obligation to monitor Agency ’s use of the Services, Flock may with reasonable notice to the Village (where commercially reasonable), do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of the foregoing.

4. CONFIDENTIALITY; AGENCY DATA

4.1 Confidentiality. To the extent allowable by applicable FOIA and state-specific Public Records Acts, each Party (the “**Receiving Party**”) understands that the other Party (the “**Disclosing Party**”) has disclosed or may disclose business, technical or financial information relating to the Disclosing Party’s business (hereinafter referred to as “**Proprietary Information**” of the Disclosing Party). Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Agency includes non-public data provided by Agency to Flock or collected by Flock via the Unit, including the Footage, to enable the provision of the Services, which includes but is not limited to geolocation information and environmental data collected by sensors built into the Units (“**Agency Data**”). The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the party takes with its own proprietary information, but in no event will a party apply less than reasonable precautions to protect such Proprietary Information, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. Flock’s use of the Proprietary Information may include processing the Proprietary Information to send Agency alerts, such as when a car exits Agency’s neighborhood, or to analyze the data collected to identify motion or other events. The Disclosing Party agrees that the foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public, or (b) was in its possession or known by it prior to receipt from the Disclosing Party, or (c) was rightfully disclosed to it without restriction by a third party, or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. For clarity, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to: (a) comply with a legal process or request; (b) enforce this Agreement, including investigation of any potential violation thereof; (c) detect, prevent or otherwise address security, fraud or technical issues; or (d) protect the rights, property or safety of Flock, its users, a third party, or the public as required or permitted by law, including respond to an emergency situation. Agency hereby expressly grants Flock a non-exclusive, worldwide, perpetual, royalty-free right and license (during and after the term hereof) to disclose the Agency Data (inclusive of any Footage) to enable law enforcement monitoring against law enforcement hotlists as well as provide Footage search access to law enforcement for investigative purposes only. Flock may store deleted Footage in order to comply with certain legal obligations but such retained Footage will not be retrievable without a valid court order.

4.2 Agency Data.. As between Flock and Agency, all right, title and interest in the Agency Data, belong to and are retained solely by Agency. Agency hereby grants to Flock a limited, non-exclusive, royalty-free, worldwide license to use the Agency Data and perform all acts with respect to the Agency Data as may be necessary for Flock to provide the Flock Services to Agency, including without limitation the Support Services set forth in Section 2.9 above, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce,

modify and distribute the Agency Data as a part of the Aggregated Data (as defined in Section 4.4 below). As between Agency and Non-Agency End Users that have prescribed access of Footage to Agency, each of Agency and Non-Agency End Users will share all right, title and interest in the Non-Agency End User Data. This Agreement does not by itself make any Non-Agency End User Data the sole property or the Proprietary Information of Agency. Flock will automatically delete Footage older than thirty (30) days. Agency has a thirty (30) day window to view, save and/or transmit Footage to the relevant government agency prior to its deletion.

4.3 Feedback. If Agency provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency hereby assigns (and will cause its agents and representatives to assign) to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

4.4 Aggregated Data. Notwithstanding anything in this Agreement to the contrary, Flock shall have the right to collect and analyze data that does not refer to or identify Agency or any individuals or de-identifies such data and other information relating to the provision, use and performance of various aspects of the Services and related systems and technologies (including, without limitation, information concerning Agency Data and data derived therefrom). For the sake of clarity, Aggregated Data is compiled anonymous data which has been stripped of any personal identifying information. Agency acknowledges that Flock will be compiling anonymized and/or aggregated data based on Agency Data input into the Services (the “**Aggregated Data**”). Agency hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right and license (during and after the Service Term hereof) to (i) use and distribute such Aggregated Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, other Flock offerings, and crime prevention efforts, and (ii) disclose the Agency Data (both inclusive of any Footage) to enable law enforcement monitoring against law enforcement hotlists as well as provide Footage search access to law enforcement for investigative purposes only. No rights or licenses are granted except as expressly set forth herein. Flock shall not sell Agency Data or Aggregated Data.

5. PAYMENT OF FEES

5.1a Wing Fees. For Wing products, the Agency will pay Flock the first Usage Fee and the Implementation Fee (as described on the Order Form attached hereto, together the “**Initial Fees**”) as set forth on the Order Form on or before the 30th day following the Effective Date of this Agreement. Flock shall have no liability resulting from any delay by the Agency in installing the Embedded Software on the Agency Hardware. If applicable, Agency shall pay the ongoing Usage Fees set forth on the Order Form with such Usage Fees due and payable pursuant to the Illinois Local Government Prompt Payment Act and payable thirty (30) days in advance of each payment period. All payments will be made by either ACH, check, or credit card.

5.1b Falcon Fees. For Falcon products during the Initial Term, Agency will pay Flock fifty percent (50%) of the first Usage Fee, the Implementation Fee and any fee for Hardware (as described on the Order Form attached hereto,

together the “Initial Fees”) as set forth on the Order Form on or before the 30th day following receipt of initial invoice after Effective Date. Upon completion of installation, Flock will issue an invoice for the remaining balance and Agency due and payable pursuant to the Illinois Local Government Prompt Payment Act. Flock is not obligated to commence the Installation Services unless and until the first payment has been made and shall have no liability resulting from any delay related thereto. For a Renewal Term, as defined below, Agency shall pay the entire invoice on or before the 30th day following receipt of invoice pursuant to the Illinois Local Government Prompt Payment Act .

5.2 Changes to Fees. Flock reserves the right to change the fees or applicable charges and to institute new charges and fees for subsequent terms, upon sixty (60) days’ notice prior to the beginning of such term (as applicable) to Agency (which may be sent by email). If Agency believes that Flock has billed Agency incorrectly, Agency must contact Flock no later than sixty (60) days after the closing date on the first billing statement in which the error or problem appeared, in order to receive an adjustment or credit. Inquiries should be directed to Flock’s Agency support department. Agency acknowledges and agrees that a failure to contact Flock within this sixty (60) day period will serve as a waiver of any claim Agency may have had as a result of such billing error.

5.3 Invoicing, Late Fees; Taxes. Flock may choose to bill through an invoice, in which case, full payment for invoices issued in any given month must be received by Flock. If Agency is a non-tax exempt entity, Agency shall be responsible for all taxes associated with Services other than U.S. taxes based on Flock’s net income.

6. TERM AND TERMINATION

6.1a Wing Term. Subject to earlier termination as provided below, the initial term of this Agreement shall be for the period of time set forth on the Order Form (the “**Initial Term**”). The Term shall commence upon execution of this Agreement. *Following the Initial Term, unless otherwise indicated on the Order Form, this Agreement will renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a “**Renewal Term**”, and together with the Initial Term, the “**Service Term**”) written notice of renewal prior to the end of the then-current term unless either party gives the other party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.*

6.1b Falcon Term. Subject to earlier termination as provided below, the initial term of this Agreement shall be for the period of time set forth on the Order Form (the “**Initial Term**”). The Term shall commence upon the final installation completion date of all cameras. *Unless otherwise indicated on the Order Form, this Agreement will renew for successive renewal terms for the length set forth on the Order Form (each, a “**Renewal Term**”, and together with the Initial Term, the “**Service Term**”) written notice of renewal prior to the end of the then-current term unless either party gives the other party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.*

6.2 Termination for Convenience. At any time during the Initial Term, an Agency not fully satisfied with the service may self-elect to terminate this Agreement for convenience. Termination for convenience will result in a one-time fee of \$500 per Flock Hardware. Upon termination for convenience, a refund will be provided for Falcon Cameras, prorated for any fees for the remaining Term length set forth previously. Agency will remain liable to pay the full outstanding fees for any Wing product on the effective date of termination of that Order Form. Flock will invoice, and Agency will pay, any unbilled fees and any unpaid fees covering the remainder of the term of that Order Form had it not been terminated. Termination for convenience of the Agreement by the Agency will be effective immediately. Flock will provide advanced written notice and remove all Flock Hardware at Flock's own convenience, within a commercially reasonable period of time upon termination.

6.3 Termination. Notwithstanding the termination provisions in Section 2.4(b), in the event of any material breach of this Agreement, the non-breaching party may terminate this Agreement prior to the end of the Service Term by giving thirty (30) days prior written notice to the breaching party; provided, however, that this Agreement will not terminate if the breaching party has cured the breach prior to the expiration of such thirty (30) day period. Either party may terminate this Agreement, without notice, (i) upon the institution by or against the other party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other party's making an assignment for the benefit of creditors, or (iii) upon the other party's dissolution or ceasing to do business. Upon termination for Flock's material breach, Flock will refund to Agency a pro-rata portion of the pre-paid fees for Services not received due to such termination.

6.5 No-Fee Term. For the Term of this Agreement, Flock will provide Agency with complimentary access to 'hot-list' alerts, which may include 'hot tags', stolen vehicles, Amber Alerts, etc. ("**No-Fee Term**"). In the event a Non-Agency End User grants Agency access to Footage and/or Notifications from a Non-Agency End User Unit, Agency will have access to Non-Agency End User Footage and/or Notifications until deletion, subject to the thirty (30) day retention policy. Non-Agency End Users and Flock may, in their sole discretion, leave access open. The No-Fee Term will survive the Term of this Agreement. Flock, in its sole discretion, can determine not to provide additional No-Fee Terms or can impose a price per No-Fee Term upon thirty (30) days' notice. Agency may terminate any No-Fee Term or access to future No-Fee Terms upon thirty (30) days' notice.

6.6 Survival. The following Sections will survive termination: 2.4, 2.5, 3, 4, 5 (with respect to any accrued rights to payment), 5.4, 6.5, 7.4, 8.1, 8.2, 8.3, 8.4, 9.1 and 10.5.

7. REMEDY; WARRANTY AND DISCLAIMER

7.1 Remedy. Upon a malfunction or failure of Flock Hardware or Embedded Software (a "**Defect**"), Agency must notify Flock's technical support as described in Section 2.9 above. If Flock is unable to correct the Defect, Flock shall, or shall instruct one of its contractors to repair or replace the Flock Hardware or Embedded Software suffering from the Defect. Flock reserves the right in their sole discretion to refuse or delay replacement or its choice of

remedy for a Defect until after it has inspected and tested the affected Unit provided that such inspection and test shall occur within seventy-two (72) hours after Agency notifies the Flock of a known Defect. In the event of a Defect, Flock will repair or replace the defective Unit at no additional cost. In the event that a Unit is lost, stolen, or damaged, Agency may request that Flock replace the Unit at a fee according to the then-current Reinstall Policy (<https://www.flocksafety.com/reinstall-fee-schedule>). Agency shall not be required to replace subsequently lost, damaged or stolen Units, however, Agency understands and agrees that functionality, including Footage, will be materially affected due to such subsequently lost, damaged or stolen Units and that Flock will have no liability to Agency regarding such affected functionality nor shall the Usage Fee or Implementation Fees owed be impacted. Flock is under no obligation to replace or repair Hardware.

7.2 Exclusions. Flock will not provide the remedy described in Section 7.1 if Agency is found to have misused the Flock Hardware, Agency Hardware or Embedded Software in any manner.

7.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Upon completion of any installation or repair, Flock shall clean and leave the area in good condition. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock's reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

7.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 7.1 ABOVE IS AGENCY'S SOLE REMEDY, AND FLOCK'S SOLE LIABILITY, WITH RESPECT TO DEFECTIVE EMBEDDED SOFTWARE. THE FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED "AS IS" AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. THIS DISCLAIMER OF SECTION 7.4 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.6, OR IF NO STATE IS MENTIONED IN SECTION 10.6, BY THE LAW OF THE STATE OF GEORGIA.

7.5 Insurance. Flock will maintain commercial general liability policies with policy limits reasonably commensurate with the magnitude of Flock's business risk. Certificates of Insurance can be provided upon request.

7.6 Force Majeure. Flock is not responsible nor liable for any delays or failures in performance from any cause beyond its control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, acts or omissions of third-party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes,

weather conditions or acts of hackers, internet service providers or any other third party or acts or omissions of Agency or any Authorized End User.

8. LIMITATION OF LIABILITY; NO FEE TERM; INDEMNITY

8.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK AND ITS SUPPLIERS (INCLUDING BUT NOT LIMITED TO ALL HARDWARE AND TECHNOLOGY SUPPLIERS), OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE TO AGENCY WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY, INCOMPLETENESS OR CORRUPTION OF DATA OR FOOTAGE OR COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (C) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE OR IDENTIFY AND/OR CORRELATE A LICENSE PLATE WITH THE FBI DATABASE; (D) FOR ANY PUBLIC DISCLOSURE OF PROPRIETARY INFORMATION MADE IN GOOD FAITH; (E) FOR CRIME PREVENTION; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY AGENCY TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN THE EVENT OF AN EMERGENCY, AGENCY SHOULD CONTACT 911 AND SHOULD NOT RELY ON THE SERVICES. THIS LIMITATION OF LIABILITY OF SECTION 8 ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 10.5

8.2 Additional No-Fee Term Requirements. IN NO EVENT SHALL FLOCK'S AGGREGATE LIABILITY, IF ANY, ARISING OUT OF OR IN ANY WAY RELATED TO THE COMPLIMENTARY NO-FEE TERM AS DESCRIBED IN SECTION 6.5 EXCEED \$100, WITHOUT REGARD TO WHETHER SUCH CLAIM IS BASED IN CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY OR OTHERWISE. Parties acknowledge and agree that the essential purpose of this Section 8.2 is to allocate the risks under the No-Fee Term described in Section 6.5 and limit potential liability given the aforementioned complimentary service, which would have been substantially higher if Flock were to assume any further liability other than as set forth herein. Flock has relied on these limitations in determining whether to provide the complimentary No-Fee Term. The limitations set forth in this Section 8.2 shall not apply to claims or damages resulting from Flock's other obligations under this Agreement.

8.3 Responsibility. Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, deputies, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable (if at all) only for the torts of its own officers, agents, or employees that occur within the scope of their official duties. Agency will not pursue any claims or actions against Flock's suppliers.

8.4 Indemnity. Agency hereby agrees to indemnify and hold harmless Flock against any damages, losses, liabilities, settlements and expenses in connection with any claim or action that arises from an alleged violation of Section 3.2, a breach of this Agreement, Agency's Installation Obligations, Agency's sharing of any data in connection with the Flock system, Flock employees or agent or Non-Agency End Users, or otherwise from Agency's use of the Services, Flock Hardware, Agency Hardware and any Embedded Software, including any claim that such actions violate any applicable law or third party right. Although Flock has no obligation to monitor Agency's use of the Services, Flock may with reasonable notice to Agency, where commercially reasonable, do so and may prohibit any use of the Services it believes may be (or alleged to be) in violation of Section 3.2 or this Agreement. Flock hereby agrees to indemnify and hold harmless Agency against any damages, losses, liabilities, settlements and expenses in connection with any 3rd Party claim or action that arises out of the acts or omissions of Flock, in connection with the performance of Flock Obligations under this Agreement.

9. RECORD RETENTION

9.1 Data Preservation. The Agency agrees to store Agency Data in compliance with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules. As part of Agency's consideration for paid access and no-fee access to the Flock System, to the extent that Flock is required by local, state or federal law to preserve the Agency Data, Flock will notify Agency of the requirement and applicable retention period, and Agency agrees to preserve and securely store data in its possession on Flock's behalf so that should Flock be legally compelled by judicial or government order, Flock may retrieve the data from Agency upon demand.

10. MISCELLANEOUS

10.1 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable.

10.2 Assignment. This Agreement is not assignable, transferable or sublicensable by Agency except with Flock's prior written consent. Flock may transfer and assign any of its rights and obligations, in whole or in part, under this Agreement without consent.

10.3 Entire Agreement. This Agreement, together with the Order Form(s), the then-current Reinstall Policy (<https://www.flocksafety.com/reinstall-fee-schedule>), and Deployment Plan(s), are the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements, communications and other understandings relating to the subject matter of this Agreement, and that all waivers and modifications must be in a writing signed by both parties, except as otherwise provided herein. None of Agency's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected.

10.4 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Agency does not have any authority of any kind to bind Flock in any respect whatsoever.

10.5 Governing Law; Venue. This Agreement shall be governed by the laws of the State in which the Agency is located. The parties hereto agree that venue would be proper in the chosen courts of the State of which the Agency is located. The parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

10.6 Publicity. Upon prior consent from Agency, Flock has the right to reference and use Agency's name and trademarks and disclose the nature of the Services provided hereunder in each case in business and development and marketing efforts, including without limitation on Flock's website.

10.7 Export. Agency may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign agency or authority. As defined in FAR section 2.101, the Services, the Hardware, the Embedded Software and Documentation are "commercial items" and according to DFAR section 252.2277014(a)(1) and (5) are deemed to be "commercial computer software" and "commercial computer software documentation." Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

10.8 Headings. The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated Sections.

10.09 Authority. Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the organizations and individuals they are representing.

10.10 Notices. All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by facsimile or e-

mail; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt, if sent by certified or registered mail, return receipt requested.

Field Operations Team

The Field Operations team is responsible for the physical installation and maintenance of cameras and associated equipment provided by Flock. This includes a large team of technicians, schedulers, and many others involved in ensuring the delivery of your product.

They take the technical plan you finalized with Product Implementation and work closely with other teams at Flock to make sure that your cameras are installed quickly and safely, and in a way that maximizes the opportunity to solve crime at a specific location.

***Note*:** For **all Installation questions or concerns**, please always direct them to your **Customer Success Manager** and not to the technician.

Please Note: On some occasions, third parties outside of Flock Safety may be (or need to be) involved in your implementation.

Department of Transportation (DOT), City, or County Agencies	If installation in your area requires permitting

THINGS TO CONSIDER

PICKING LOCATIONS

Falcon Cameras

- **Use Cases**
 - Flock LPRs are designed to capture images of rear license plates, aimed in the direction of traffic.
 - Flock LPRs are not designed to capture pedestrians, sidewalks, dumpsters, gates, other areas of non-vehicle traffic, intersections
 - **Placement**
 - They capture vehicles driving away from an intersection.
 - They cannot point into the middle of an intersection.
 - They should be placed after the intersection, to prevent stop and go motion activation, or "stop and go" traffic.
 - **Mounting**
 - They can be mounted on existing utility, light, or traffic signal poles, or 12 foot Flock poles.
 - **NOTE**** Permitting (or permission from pole owner) may be required in order to use existing infrastructure or install in specific areas, depending on local regulations & policies.
 - They should be mounted one per pole*. If using AC power, they can be mounted 2 per pole.
 - *Cameras need sufficient power. Since a solar panel is required per camera, it can prevent sufficient solar power if 2 cameras and 2 solar panels were on a single pole (by blocking visibility). Therefore if relying on solar power, only one camera can be installed per pole.
 - They can be powered with solar panels or direct wire-in AC Power (no outlets). ****NOTE**** Flock does not provide Electrical services. The agency or community must work with an electrician to wire the cameras once installed. Electrician services should be completed within 2 days of installation to prevent the camera from dying.
 - They will require adequate cellular service using AT&T or T-Mobile to be able to process & send images
 - Any Flock equipment mounted over 14 feet or on a horizontal beam will require a bucket truck.
 - If mounting in this way:
 - Flock will request use of a bucket truck through the customer or Public Works
 - If a bucket truck is not available through the customer, Flock will have to procure one.
- **Note**** This will lead to delays on install & any subsequent maintenance visits based on bucket truck availability
- Flock will likely require traffic control assistance provided by customer to install or provide maintenance with a bucket truck

Solar Panels

- Solar panels need unobstructed southern-facing views

CUSTOMER

ELECTRICIAN

FAQS ABOUT AC-POWERED FLOCK CAMERAS

What voltage is supported?

The AC kit is designed to work with 120VAC infrastructure by default. A 240VAC version is available on request.

How much power does this consume?

Peak current draw is 1.5 A at 120VAC. Average power draw is roughly 30W in high traffic conditions, but may be lower when less vehicles are present.

Who is responsible for contracting the electrician?

The customer is responsible for contracting an electrician. We can help answer questions, but the customer is responsible for identifying and contracting an electrician.

Who is responsible for maintenance?

Flock will handle all maintenance related to the camera and power equipment installed by Flock. However, any problems with the electrical supply are the responsibility of the customer. The AC junction box has two lights to indicate the presence of power and make it easy for quick diagnosis if there is a problem related to the AC power source.

In the event the camera indicates to Flock that there is a power supply problem, Flock will notify the customer and request that the customer verify the lights on the AC junction box. If the AC Source light is illuminated, Flock will send a technician to investigate. If the AC source light is not illuminated the customer should check any GFCI's or breakers in the supply circuit or call the electrician who installed the power supply.

How much does it cost?

Work required to bring AC power to each location will be different, so exact pricing is not possible. The primary driver of cost is the distance from AC power source to the intended camera location.

What information do I need to provide my electrician?

The Flock deployment plan and these work instructions should be sufficient to secure a quote. It will be helpful if you know the location of existing power infrastructure before creating the deployment plan.

Can you plug into my existing power outlet?

The Flock AC power adapter does not use a standard outlet plug, but must be directly wired into the power mains. While using outlet plugs may be convenient, they can easily be unplugged presenting a tampering risk to this critical safety infrastructure. If an outlet is close to the camera, the electrician can route power directly to the camera with a direct wire-in connection.

How long does this process typically take?

The installation process typically takes 6-8 weeks. In order to accelerate the process, be sure to have the electrician perform his work shortly after the Flock technician finishes installing the camera.

What kind of electrician should I look for?

Any licensed electrician should be able to perform this work, though we have found that those who advertise working with landscape lighting are most suited for this work.

What happens if the electrician damages the equipment?

The customer is responsible for contracting the electrician. Any liability associated with this work would be assumed by the customer. If any future work is required at this site due to the electrical infrastructure or the work performed by the electrician would be the responsibility of the customer.

When should the electrician perform his work?

Once Flock installs the camera, you will receive an email alert letting you know that this has been completed. After this, you will need to schedule the electrician to route power to the pole.

What if my electrician has questions about Flock's AC Kit?

You should share the [AC-Power Kit Details](#) packet with the electrician if they have questions.

What if the AC power is on a timer?

Sometimes the AC power will be on a timer (like used for exterior lighting). Flock requires that the AC power provided to the camera be constant. The source that the electrician uses must not be on a timing circuit.

PERMITTING: PRE-INSTALL QUESTIONNAIRE

1. Timeline

- In Flock Safety's experience, in-depth permitting requirements can add 2+ months to the installation timeline. Law enforcement agencies and city governments can work with their local Public Works or Department of Transportation offices directly to help expedite the process. When Flock Safety customers manage the permitting processes, results tend to come more quickly.
- Is your agency able to own the permitting process with Flock Safety's assistance?

2. Right of Way

- Will any of the Flock Safety cameras be installed on city, state or power company owned poles or in city, county, or state Right of Way (RoW)?
 - What is the RoW buffer?
 - Will additional permits or written permission be required from third-party entities (such as DOT, power company, public works, etc)?
- Will any cameras be installed on city-owned traffic signal poles (vertical mass)?
 - If yes, please provide heights/photos to determine if a bucket truck is needed for the installation.

Note: If height is greater than 15 feet tall, a bucket truck is **required**.

3. AC Power vs. Solar

- If AC powered, is there a 120V power source available, and is there access to an electrician who can connect the existing wire to the Flock Safety powered installation kit?
- If solar powered, consider the size of the solar panel and potential to impact visibility of DOT

flock safety

signs/signals:

- Single Panel: 21.25" x 14" x 2" (Length x Width x Depth)
- Double Panel: 21.25" x 28" x 2" (LxWxD)

4. Traffic Control & Installation Methods

- If a bucket truck is required, this typically necessitates a full lane to be blocked in the direction of travel. Can you provide a patrol car escort, or will full traffic control be required?
 - Note: If traffic control is required, you may incur additional costs due to city/state requirements; Fees will be determined by quotes received.
- If full traffic control required (cones, arrowboards, etc.):
 - Will standard plans suffice, or are custom plans needed? Custom plans can double the cost, while standard plans can be pulled from the Manual of Uniform Traffic Control Devices ([MUTCD](#)).
 - Will a non-sealed copy of the traffic plan suffice? Or does the traffic plan need to be sealed and/or submitted by a professional engineer?
 - Are there state-specific special versions/variances that must be followed?
- If a bucket truck is **not** required, the shoulder or sidewalk should suffice and enable Flock Safety to proceed without traffic control systems in place.
 - Note: In some states (i.e. California), sidewalks may require signage. If signage is mandatory, Will your Public Works department be able to assist?

5. Paperwork & Required Forms

- Flock Safety will need copies of paperwork to complete prior to proceeding (ex. business license applications, encroachment permit applications). We can save critical time by gathering these documents upfront. We appreciate your assistance in procuring these.

6. Contacts

- If Flock Safety will need to interface directly with the departments, please share the contact information of the following departments:
 - Permitting
 - Public Works
